

# FR FLEECE LINER WITH POLARTEC®

#1 IN DURABILITY YOUNGSTOWN GLOVE MFG # 12-3565-60

The **FR Fleece Liner with Polartec®** is an arc rated, flame resistant liner to be worn underneath your Youngstown work gloves or your Rubber Electrical gloves to provide extra warmth and comfort. The microfleece liner is made with Polartec's Power Dry® FR, a double pique dual hazard fabric with fast drying properties. Thin, breathable and form-fit, it is constructed with outer seams to ensure maximum comfort. Permanently flame resistant.

**Will not drip, melt or ignite when exposed to flames or sparks.**

The result is increased efficiency, productivity and safety for workers, while in compliance with the **NFPA 70e-2015** standard and **OSHA 29 CFR Part 1926**.

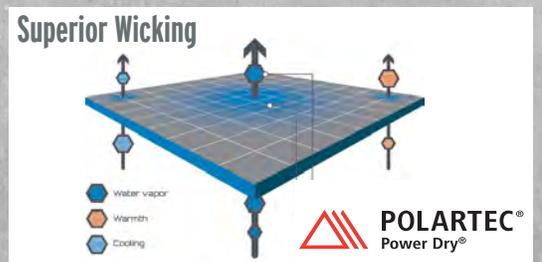

|                         |   |
|-------------------------|---|
| <b>ARC RATING</b>       | 9.5 cal/cm <sup>2</sup> according to ASTM F2675-F2675M-13 |
